The following investigation was conducted on the dates indicated by Senior Supervisory Resident Agent (SSRA) [redacted] and Special Agent (SA) [redacted] at Austin, Texas.

After leaving a meeting with [redacted] at [redacted] which lasted from 1:47 P.M. until 2:19 P.M. on Monday June 4, 1990, SSRA [redacted] and SA [redacted] were alert for surveillance by [redacted] Associates. A gray Dodge Spirit automobile bearing Texas paper tag [redacted] was observed acting in a suspicious manner. There was a lone white male occupying the vehicle. There was a sticker on the vehicle reading Altra Auto Rental. The Austin telephone book lists Altra Auto Rental at 4201 South Congress, Austin, Texas, 440-0661.

b6

On October 23, 1990, SA [redacted] talked to [redacted] Altra Auto Rental at 4201 South Congress. Interviewing Agent identified himself and explained that the purpose of the interview was to determine who was operating a gray Dodge Spirit belonging to Altra Auto Rental and bearing paper tag [redacted] in Austin on Monday June 4, 1990. [redacted] advised at that time that he would check his records to try to obtain that information, but he knew that his business had two gray Dodge Spirits at that time and it would be impossible for him to determine which gray Dodge Spirit was of interest to the Federal Bureau of Investigation (FBI), unless he had the vehicle identification number (VIN) for the vehicle in question. Both of the gray Dodge Spirits of which he is speaking would have had paper tag [redacted] in June of 1990. Those two vehicles were being operated by [redacted]

b6

Mr. [redacted] requested that the FBI give him a few days to locate his old records which might be of assistance in this matter.

On October 31, 1990, [redacted] was telephonically recontacted. He advised that [redacted] were driving the two gray Dodge Spirits belonging to Altra Auto Rental on Monday June 4, 1990. He cannot further identify which vehicle the FBI is speaking about unless the FBI can provide the VIN number of the vehicle seen.

The following investigation was conducted in Burnet, Texas, by Special Agent (SA) [redacted] to determine if law enforcement in that county had had contact with a group called the First Texas Light Infantry, which supposedly trained on a leased ranch just East of the Burnet County Shefiff's Office, on the Eastern edge of Burnet, Texas. b6 b7C

On January 7, 1991, WELDON BUCK, Sheriff, Burnet County, Burnet, Texas, was contacted at the Sheriff's Department. He advised that sometime in the last several years, there was an incident [redacted] of the Burnet County Sheriff's Office [redacted] As he recalls, fully automatic weapons were heard being fired by neighbors who lived in the area and the neighbors complained to his department. Sheriff BUCK was unable to locate any official report on the incident among the files of his department, but he did determine that [redacted] was one of the officers who investigated the incident. He telephonically contacted [redacted] to determine his recollection of the incident. [redacted] advised that he did not take any names of anyone he interviewed at the ranch, but he seemed to recall that the group claimed they were from the Dallas, Texas, area. He seemed to recall that the group he had contact with that day, as a result of the automatic weapons firing, had some ties to the ranch of a man named [redacted] which is [redacted] is a well known survivalist. b6 b7C

Sheriff BUCK advised that he also recalls from this incident that after [redacted] and his department made a contact with the group shooting weapons on the ranch, he personally received a telephone call from someone in the group who explained to him what the group was all about. He could not remember any details of that explanation. Sheriff BUCK promised to have logical investigation conducted in Burnet to determine the actual owner of the property on which this incident occurred, and would provide that name and address to the Federal Bureau of Investigation when it was determined. b6 b7C

On January 8, 1991, Sheriff WELDON BUCK telephonically contacted SA [redacted] and advised that the owner of the property in question is [redacted] home telephone [redacted]
